THIS APPLICATION IS SUBJECT TO WITHDRAWAL FROM ISSUE AT THE INITIATIVE OF THE OFFICE OR UPON PETITION BY THE APPLICANT. SEE 37 CFR 1.313 AND MPEP 1308.

DETAILED ACTION

1. Applicant's communication received 9/30/2010 have been considered and entered. Upon further consideration and search the claims are allowable as set forth below.
2. The finality of the previous Office action mailed 8/5/2010 is hereby withdrawn.

Response to Arguments

3. Applicant's arguments, see pages 8 through 10, filed 9/30/2010, with respect to the rejection set forth in sections 4-6 of the previous Office action mailed 8/5/2010 have been fully considered and are persuasive. Accordingly said rejections have been withdrawn.

Allowable Subject Matter

4. Claims 18-31 and 33-42 are allowed.
5. The following is an examiner's statement of reasons for allowance: The closest prior art is Telerate, Madoff, Scott and Cushing, however none of the prior art of record teaches or renders obvious the invention set forth within the claims. Specifically, none of the art of record discloses the application of the price improvement AFTER the execution of the trade. In contradistinction, the teachings of the prior art apply price improvement BEFORE the trade is effected and teach that once a trade is matched then it is closed, i.e. no further processing except for the clearance of the trade. That is, further price improvement AFTER execution of the trade is neither contemplated nor rendered obvious by any of the prior art taken alone or in combination and appears to be discouraged because it unnecessarily treats a closed transaction.

This step of price improvement occurring after the execution of the first trade goes against the efficiency of timely execution taught by the prior art.

6. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to DANIEL L. GREENE JR. whose telephone number is (571)272-6876. The examiner can normally be reached on Mon-Thur.
